Purpose of Award

The Lena Bosch Lifetime Achievement Award, established in 2020, recognizes individuals who have exhibited outstanding, creative, innovative and visionary leadership in the growth and advancement of the arts in our community through involvement in the Annette Howell Turner Center for the Arts (Center).

Awards Task Force

1. Nominations will be judged by an awards task force, appointed biannually by the LVAC Executive Committee, based solely on the content provided on the award application. Selection of task force members is subject to approval by the LVAC Board of Directors as a motion from Executive Committee (*adopted 5/10/24 by LBLAA Task Force*).
2. All nominations will be assessed on their comparative merits by the awards task force, who will decide the eventual recipient by majority vote. The award should not be viewed to be in any way competitive, and is not intended to be an annual award.
3. All submissions for this recognition are considered in confidence by the awards task force, and nominations will not be publicly disclosed. Members of the task force, the LVAC Board of Directors and the Turner Center staff are not eligible for this award while they hold office or are employed by the Center.
